Dear Parents and Carers

Our first steps in the Sauncey Wood Spruce Up started over half term. I would like to say a huge thank you to staff, parents and children who came into school to help decorate our Year 3 classroom and corridor. Many hands make light work and we would never have been able to make such improvements if it were not for your help. Thank you.

Another great example of our amazing community spirit (and our Learning Behaviour of Co-operation) was our Valentine's Cake Sale! Thank you to all who came along and to Friends of Sauncey Wood who organised it all and raised a magnificent £331.

Next week, we celebrate World Book Day, children can come to school dressed as their favourite book characters and there are many other fun activities they will be taking part in during the week.

Finally, we are excited to announce that we will be celebrating Science Week from Monday, 10th to Friday, 14th March 2025. The children will be making marble rollercoaster runs, which will provide them with valuable insights into the principles of gravity.

In preparation for this, could you please send in any donations of packaging e.g. cardboard, plastic bottles, foil, lids, tubes from kitchen rolls/foil or bubble wrap with your child this week.

A gentle reminder that our Uniform policy states that children are able to wear to school a watch and/or a pair of small studded earrings. Please do not allow your child to wear any other jewellery to school.

Have a wonderful weekend everyone.

Yours sincerely
